

## Become A **USPRA**-California Chapter Member Today!

Membership in USPRA is the most valuable opportunity for you to connect with the entire psychiatric rehabilitation field and remain current on issues pertinent to its future success!

### Organizational Membership

This membership is intended for any agency or organization that provides mental health services. Benefits include:

- **Monitoring public policy issues at the Federal level;** for PSR issues, such as work incentives, Medicaid coverage and Healthcare Reform.
- **Organizational Bulletins, Public Policy Alerts and Special Mailings** Advocacy, funding and other timely issues/opportunities provided by USPRA .
- **Discounts on Certification fees for all staff** \*Note: The Certification and the test-based certification program will provide an inexpensive way to meet the accreditation standards for credentialing staff, assures quality service provision and supports career development and staff retention.
- **Discounts on USPRA and CASRA conferences**
- **Networking opportunities** and participation in USPRA chapter and committee activities
- **Discounts on all USPRA web trainings**
- **Subscription to the ONLINE “Psychiatric Rehabilitation Journal”** A quarterly online journal featuring innovative PSR programming, research, best practices and abstracts of current literature. Free access to the online version to all staff and consumers. Includes 1 print copy.
- **Subscription to the PSyR Connection,”** a quarterly newsletter keeping current on activities of USPRA and the PSR field.
- **Discount on USPRA publication order**
- **Local conference and training opportunities**
- **Access to USPRA website [www.uspra.org](http://www.uspra.org)**

### Associate Organizational Membership

Associate organizations are non-service provider agencies, i.e., community college or other entity which does not provide mental health-related services. Benefits include each of those offered to organizational members.

### Veterans Administration Organizational Membership

The dues for this new member type are FTE-based. The FTE count is based on any/all employees that provide mental health services, and/or who would benefit from mental health education & training and USPRA's various member benefits. Mental health services including, but not limited to: Compensated Work Therapy/affiliated vocational services (CWT), Psychosocial Recovery Centers (PRCs), Mental Health Intensive Case Management (MHICA), Local Recovery Coordinators, family services, and homeless services (HCHV/Grant and Per Diem.) Benefits include each of those offered to organizational members.

### Individual Membership

This membership is intended for those who provide, or is employed by an agency, department, or other entity which provides mental health-related services. Benefits include:

- **Discounts on USPRA Publication Orders**
- **Discounts on USPRA and CASRA conferences**
- **Subscription to the “PSR Connection” and the “Psychiatric Rehabilitation Journal”** (includes online access)
- **Public Policy Alerts**
- **Discounts on Certification fees** \*Note: Certification and the test-based certification program will increase your credibility and marketability as a PSR practitioner. As a certified practitioner, you will establish yourself as a leader and pioneer in the field.
- **Networking** and participation in USPRA chapter and committee activities

### Associate Individual/Student Membership

This membership is intended for anyone who has an interest in psychiatric rehabilitation, or is employed by an organization or department which provides mental health related services for no more than 20 hours a week, or is currently a graduate or undergraduate student, taking courses related to psychiatric rehabilitation. Benefits include each of those offered to Individual members, with the exception of the free subscription to the “Psychiatric Rehabilitation Journal” and discounts on Certification fees. Note: Although this membership does not include the free subscription to the “Psychiatric Rehabilitation Journal,” you may subscribe to the journal for a fee.
